That immunity from liability does not apply if the owner makes a charge for permission to use the land. This fee is only for use of the assigned park and for use of the park-related amenities in the designated park area. Other uses of this park, or any use of the property outside the designated park area are not subject to a charge and, therefore, The City of Hood River is not liable for injuries, death, or property damage arising out of such uses of the property for which no specific charge has been made.

**INSURANCE** – All licensees for use of City-owned property, including rights-of-way, shall be required to furnish evidence of liability insurance providing primary coverage in an amount that is not less than the City’s tort liability limits naming the City as an additional insured. The liability insurance shall apply to, and provide coverage for, any and all claims for bodily injury and property damage arising from or caused by the use for which the license is granted and shall be primary coverage. In lieu of meeting the insurance requirements of this section, any governmental entity may enter into an agreement with the City to indemnify and hold the City harmless in the event of any damage or injury resulting from the use. Such insurance shall further provide that the policy shall not terminate or be canceled prior to the completion of the event without thirty days’ written notice. Proof of insurance shall be submitted to the City prior to issuance of the Special Event Permit, and maintenance of this insurance shall be a continuing condition of the Permit.

#### 5.07.020 Purpose and Scope.

- A. This ordinance provides reasonable and necessary regulations for the licensing of transient merchants and special events in order to:

  - 2. Maintain the free flow of pedestrian and vehicular traffic on streets, sidewalks and areas open to the public;

- B. The regulations of this code are not intended to permit any violation of the provisions of any other law or regulation.
- C. These regulations shall apply to activities on city-owned and leased property.
- D. These regulations shall not apply to garage sales, yard sales, rummage sales or swap meets conducted on private property, provided that the sale is not conducted over a period in excess of 4 consecutive days or more often than 3 times per calendar year.
- E. These regulations shall not apply to sales conducted by municipal, government, religious, charitable, educational or other similar organizations, provided that the sale is conducted on premises owned or leased by the applicant for the regular conduct of its business or affairs.
- F. These regulations shall not apply to temporary or seasonal uses within permanent structures, except for those activities within permanent structures subject to regulation as a special event.

G. Regulation of special events shall not apply to private parties or to events taking place within a permanent structure having a current on-premise license from the Oregon Liquor Control Commission.

H. Exemption of a use from the provisions of this chapter shall not exempt the use from other applicable provisions of this Code.

5.07.030 Definitions. The following definitions shall apply to this chapter:

“Dance” includes a dance which is open to the public, or for which admission is charged directly or indirectly.

"Person" includes the singular and plural and any individual, firm, corporation, association, club, co-partnership or society or any other organization.

“Special event” includes any activity which is likely to attract at any one time an assembly of persons, conducted for a specified period at one or more locations within the City under the auspices of and subject to the supervision and direction of a single person, including but not limited to festivals, fairs, shows, exhibitions, auctions, city or regional celebrations, athletic events, and public dances.

"Transient merchant" includes any person who offers food, beverages, produce, merchandise, a service, or other thing of value for sale within the city on a temporary or seasonal basis. The following classes of transient merchants are hereby established:

1. Class 1: A transient merchant requiring direct connection to City-operated utilities for the preparation or storage of that which is being offered for sale. "Utilities" includes water, storm sewer or sanitary sewer. A license to a Class 1 transient merchant is issued for a single period per calendar year, not to exceed 180 consecutive days, with no renewals or extensions.
2. Class 2: A transient merchant not requiring direct connection to City-operated utilities for the preparation or storage of that which is being offered for sale. A license to a Class 2 transient merchant is issued for a period of 30 consecutive days, with a maximum of 5 renewals per calendar year (maximum 180 days).

5.07.040 License - Required - Fee. No person shall engage in business as a transient merchant or conduct a special event within the city without first obtaining a license as provided in this chapter. The license fees shall be set by resolution of the City Council. The fees shall be payable in full at the time of submission of an application and shall be non-refundable. No license shall be assignable or transferable or shall authorize the applicant to conduct any other type of business or special event.

5.07.050 License - Application - Standards and Limitations. An applicant for a license under this chapter must file an application in writing. The City Recorder shall provide the application form and establish written procedures and submittal requirements necessary to process the application in accordance with this Chapter. The application will be reviewed to determine compliance with the following standards and limitations:

- A. Transient Merchant License.
1. The proposed use must meet the definition of “transient merchant” and be subject to classification as set out in Section 5.07.030. Any use not meeting the definition of “transient merchant” or subject to classification shall be deemed to be a use subject to review under chapter 17.03.050.

  3. A special event license is issued to the sponsor of the special event.
  4. The license shall be limited to the duration of the special event, not to exceed 15 days.
  5. The application must be submitted 30 days prior to the first day of the special event. An application submitted after the deadline will be considered if accompanied by a late fee and submitted no later than 14 business days prior to the first day of the special event. If the 30<sup>th</sup> day falls on a day when the City administrative offices are closed, the application will be considered if it is received by the City on the next business day.

5. The conditions applicable to a license may include the right of the city or the County Sanitarian to a post-licensing inspection of the licensee's business premises to insure compliance with appropriate structural, mechanical, fire, health and/or safety regulations or concerns. Inspection may also be conducted from time to time during the course of the license period, as deemed necessary by the city or the County Sanitarian. If the licensee fails, within the specified time, or if no time is specified, a reasonable time, to remedy any non-complying practice or defective condition identified as a result of any inspection, the licensee's license shall be revoked, without refund.
6. The Fire Marshal shall have the authority and discretion to set general policy for fire safety, including inspections, and to determine the specific fire safety requirements and require a fire safety inspection for any individual transient merchant or special event. Whenever in the opinion of the Fire Marshal it is necessary for public safety at a special event, the Fire Marshal may require the special event licensee to contract with the City for standby fire and emergency medical watch through the City's Fire Department. The licensee shall be responsible for paying the City's fee for such coverage and the licensee shall execute a contract for the services as a condition to receiving the special event license.
7. The Building Official shall have the authority and discretion to require structural inspections for any temporary structure.
8. All licensees for use of City-owned property, including rights-of-way, shall be required to furnish evidence of liability insurance providing primary coverage in an amount that is not less than the City's tort liability limits established by the Oregon Legislature naming the City as an additional insured. The liability insurance shall apply to, and provide coverage for, any and all claims for bodily injury and property damage arising from or caused by the use for which the license is granted and shall be primary coverage. In lieu of meeting the insurance requirements of this section, any governmental entity may enter into an agreement with the City to indemnify and hold the City harmless in the event of any damage or injury resulting from the use.
9. All licenses shall include a condition of approval requiring the licensee to reimburse the City the costs incurred by the Police Department and Fire Department in responding to the special event or transient merchant's operation. Payment must be made to the City within 30 days of the date of the City's invoice. In any action to collect unpaid balances, the City is entitled to collect its cost and attorney fees.

The Council shall schedule a hearing date that shall not be later than the second regular session following the filing of the written appeal with the City Recorder, and shall notify the applicant of the date and time that the applicant may appear either in person or by a representative.

5.07.070 Display of License. The licensee shall display the license, together with any conditions, at all times on the business premises, in a location visible to customers.

5.07.080 Removal of Structures. 5.07.090 Penalty - Hold Harmless and Indemnification. Any person who violates or causes a violation of any provision of this chapter shall be subject to punishment as prescribed in Chapter 1.12 of the Hood River Municipal code. Upon any violation the City Manager, or a designee of the City Manager, may order the licensed activity to cease, and upon receipt of written notice, the activity shall immediately cease. Any such persons and licensees shall indemnify and hold the city and its officers, agents and employees harmless from and against all claims for injury, loss or damage arising out of or in any way related to the operation of licensee's business. This agreement to indemnify or defend shall survive termination or revocation of licensee's license.
