

Dear Community Member:

If you feel you have been issued a parking ticket due to a **meter malfunction**, you may contest it through an administrative review process, by filling out a Parking Ticket Review Form within 2 business days of ticket issuance date. **Tickets will not be excused for errors made by the violators.** Examples such as putting money in the wrong meter, getting change for the meter, just ran in for “a second” or I didn’t think I had to pay. ***A TICKET WILL NOT BE REVIEWED WITHOUT A COMPLETED PARKING TICKET REVIEW FORM OR IF THE FORM IS SUBMITTED AFTER THE 2<sup>nd</sup> BUSINESS DAY FROM TICKET ISSUANCE DATE.*** *During this review, no additional penalties accumulate.*

Please submit the Parking Ticket Review Form to the City Administration office. The City will review the form and provide a response, in most cases, within 5 days of the date the form was received. You will be notified of the City’s decision by mail, email or telephone. If the ticket has been excused, just dispose of it. If the review has been denied, the ticket will proceed through the process as it first issued, with the issuance date being the date of the City’s decision.

If you are not satisfied with the City’s decision, you may seek further review by the Municipal Court Judge. Please contact the Hood River Municipal court clerk to request a hearing at (541)386-3942. ***The ticket will accumulate additional fines or penalties during this time and original parking ticket must be present in court.***

***I have read the Parking Ticket Review process described above.  
I understand that I will be responsible for the ticket if the review is denied.***
