

## Hood River Street Tree List

Please be advised that all street trees shall be planted at a minimum 6 foot height and minimum 2 inch caliper size (as measured no less than 6 inches above the rootball). Only single stem varieties are allowed to be planted within the right of way. No multistem varieties are permitted. If you are unsure about the species or planting requirements, please contact Hood River City Planning or Public Works for clarifications.

	Common Name	Scientific Name	Planting Site Minimum Width	Site With Power Lines	Mature Height	Mature Width	Spread	Native	Flower Color	Fall Color	Description
1	Cascara	Rhamnus Pushiara (for stormwater only)	4	Yes	20	15	Oval	Yes	Yellow	Orange/Red	Oregon Native, Selected for use in rain garden and stormwater features by Protland Environmental Services for LID infrastrucutre, small tree
2	Cherry, Angel Bush Flowering	Prunus serrulata 'Taizo'	4	Yes	20	12	Oval		Pink/White	Orange	Full sun. Compact urban garden tree double flowers. Green foliage. Attracts birds.
3	Cherry, Spire	Prunus x. 'Hillieri'	4		30	10	Columnar		Pink	Orange/Red	Full sun. Excellent narrow dark green upright tree.
4	Crabapple, Adirondack	Malus 'Adirondack'	4	Yes	18	10	Round		White	Gold	Full sun. Adapts to various soils. Drought tolerant once established. Non-fruiting. Attracts birds.
5	Crabapple, Harvest Gold	Malus 'Hargozam'	4	Yes	20	15	Round		White	Gold	Full sun. Well drained soil. Attracts birds. Non-fruiting.
6	Crabapple, Prairie Fire	Malus ioensis 'Prairie Fire'	4	Yes	20	18	Round		Reddish Pink	Yellow/Gold	Full sun. Drought tolerant. Non-fruiting.
7	Dogwood, Kouse 'Radiant Rose'	Cornus kouse 'Radiant Rose'	4	Yes	25	25	Round		Pink	Red/Orange	Full sun to part shade. Cold and heat tolerant. Prefers morning sun and afternoon shade. Attracts Hummingbirds. Slow growing.
8	Dogwood, Starlight Kouse	Cornus kouse x chinensis nutalii	4	Yes	25	20	Round		White	Red	Part shade. Well drained soil. Upright shrub or multi-stem tree. Drought tolerant.
9	Hornbeam, American Hop	Ostrya virginiana	4		40	25	Round			Orange	Full sun to part shade. Medium water. Low maintenance. Tolerant of deer, clay soils and droughts.
10	Hornbeam, European	Carpinus betulus	4		40	30	Columnar			Golden Yellow	Full sun to part shade. Average to moist soils. Tolerant of urban conditions.
11	Hornbeam, Fastigiata	Carpinus betulus 'Fastigiata'	4		35	20	Pyramidal			Yellow/Orange	Full sun to part shade. Medium moisture. Low maintenance. Hedge tree.
12	Hornbeam, 'Frans Foutain'	Carpinus betulus 'Frans Fontaine'	4		35	15	Columnar			Yellow	Full sun to full shade. Tolerates all well drained soils. Once established drought tolerant.
13	Hornbeam, Lucas	Carpinus betulua 'Lucas'	4	Yes	20	6	Columnar			Yellow to Orange	Full sun. Tolerates any well drained soil. Work as a tall hedge,
14	Hornbeam, Palisade American	Carpinus c. 'CCSQU'	4	Yes	30	15	Oval			Red Orange	Full sun to part shade. Tolerants urban conditions and all soil types.
15	Katsura Tree	Cercidiphyllum jaonicum	4		40	30	Round			Gold/Orange/Red	Full sun to part shade. Medium water. Low maintenance. Tolerates clay soil. Single trunk.
16	Linden, Boulevard	Tilia a. 'Boulevard'	4		50	25	Pyramidal		Yellow	Yellow	Full sun. Low maintenance. Fragrant flowers. Attracts butterflies.
17	Linden, Corintian	Tilia a. 'Corzam'	4		45	15	Pyramidal		Yellow/White	Bright yellow	Full sun. Moist well drained soils. Fragrant flower. One of the narrowest of Lindens. Dark thick leaves.
18	Linden, Glenleven	Tilia cordata 'Glenleven'	4		50	30	Oval		Pale Yellow	Orange/Yellow	Full sun to part shade. Medium water. Low maintenance. Fragrant flower. Drought tolerant. Attracts butterflies. Used as a hedge.
19	Linden, Sterling	Tilia tomentosa 'Sterling'	4		45	35	Pyramidal		Yellow	Gold	Full sun to part shade. Dry to medium soil. Low maintenance. Drought tolerant. Attracts butterflies. Tolerates urban conditions.
20	Linden, Summer Sprite	Tilia c. 'Halka'	4	Yes	20	15	Pyramidal		Creamy Yellow	Yellow	Full sun. Moist to average well drained soils. Neat compact tree. Fragrant flowers. Fast grower. Attracts butterflies.
21	Maackia, Amur	Maackia amurnensis	4	Yes	20	20	Round		White	None	Full sun to part shade. Medium water. Adapts to wide range of soils. Low maintenance. Fragrant flower. Copper bronze bark.
22	Magnolia, Galaxy	Magnolia 'Galaxy'	4	Yes	25	15	Round		Pink	Yellow	Full sun to part shade. Moist well drained soil. Medium water. Low maintenance. Fragrant flower. Protect from strong winds.

	Common Name	Scientific Name	Planting Site Minimum Width	Site With Power Lines	Mature Height	Mature Width	Spread	Native	Flower Color	Fall Color	Description
23	Maple, Apollo	Acer saccharum 'Barret Cole'	4		30	10	Columnar		None	Yellow/Orange/Red	Full sun. Narrow dense branching, good for limited spaces. Heat tolerant.
24	Maple, Paperbark	Acer griseum	4	Yes	20	15	Oval			Orange/Red	Full sun to part shade. Medium water. Low maintenance. Attractive bark.
25	Maple, Sun Valley	Acer rubrum 'Sun Valley'	4		25	15	Round			Red	Full sun to part shade. Medium to wet soil. Low maintenance. Tolerant of wet soils and air pollution. Very cold hardy.
26	Oak, Crimson Spire	Quercus r. x. Q alba 'Crimschmidt'	4		45	15	Columnar			Rusty Red	Full sun. All soils. Fast growing. Dense foliage. Adaptable to wide range of growing conditions. Drought tolerant.
27	Pagodatree, Japanese Scolar	Sohora japonica	4		40	40	Round		White	Yellow/Green	Full sun to part shade. Medium water. Low maintenance. Tolerates drought and air pollution.
28	Parrotia, Persian	Parrotia persica	4		30	20	Oval			Red/Orange	Full sun. Medium water. Tolerates clay soils and air pollution.
29	Parrotia, Persian Spire	Parrotia p. 'JL Columnar'	4	Yes	25	10	Columnar			Yellow/Orange/Red	Full sun. Medium water. Tolerates clay soils and air pollution.
30	Parrotia, Vanessa	Parrotia p. 'Vanessa'	4		28	14	Columnar			Bronze Gold	Full sun to part shade. Medium water. Low maintenance. Attractive bark. Drought tolerant once established.
31	Redbud, Eastern	Cercis Canadensis	4		30	25	Round		Pink	Yellow	Full sun to part shade. Medium well drained soil. Low maintenance. Tolerates Deer, clay soils and black walnut. Attracts butterflies.
32	Zelkova, City Sprite	Zelkova s. 'City Sprite'	4	Yes	20	18	Oval			Yellow	Full sun. Medium water. Low maintenance. Perfect for tight urban settings.
33	Zelkova, Musashino Columnar	Zelkova s. 'Musashino'	4		45	15	Columnar			Rusty Red	Full sun. Well-drained soil is ideal, but tolerates heat, drought and air pollutants. Fine-textured appearance. Fast growing.
34	Zelkova, Wireless	Zelkova s. 'Schmidtlow'	4	Yes	20	36	Pyramidal			Deep Red	Full sun. Able to grow in varied locations such as lawn, street and even parking lot planters. Resistance to disease, pests and urban conditions.
35	Beech, Pyramidal	Fagus sylvatica 'Fastiagta'	5		35	15	Columnar			Yellow	Full sun to part shade. Well drained, moist or dry soil.
36	Beech, Red Obelisk	Fagus s. 'Red Obelisk'	5		35	12	Columnar			Orange/Yellow	Full sun to part shade. Smooth silver bark. Needs water in extreme heat. Deep purple foliage.
37	Beech, Tricolor	Fagus s. 'Roseomarginata'	5		25	20	Oval			Orange/Red	Full sun. Average to soil. Smooth silver bark. Low maintenance. Long lived. Tolerant of deer and urban conditions. Black foliage, variegated red tips.
38	Birch, Dura Heat	Betula nigra 'BNMTF'	5		40	30	Pyramidal		n/a	Yellow	Full sun to part shade. Medium to wet soil. Heat resistant. Bark is cream and tan colors. Easily grown.
39	Cherry, Merlot Bird	Prunus padras 'Drietreer'	5		30	20	Oval		White	Red-purplish	Full sun. Deep purple foliage. Non-fruiting.
40	Crabapple, Showtime	Malus 'Shotizam'	5	Yes	22	20	Pyramidal		Purple-Pink	Yellow/Orange	Full sun. Medium maintenance. Disease resistance. Tolerant of urban pollutants. Non-fruiting.
41	Dogwood, Pagoda	Cornus alternifolia	5	Yes	20	20	Round		White	Red-Orange	Full sun to part shade. Medium water. Low Maintenance. Fragrant flowers. Attracts birds and butterflies. Tolerates deer.
42	Elm, Colonial Spirit	Ulmus american 'JFS-Prince'	5		50	35	Oval			Yellow	Full sun to part shade. Strong branch structure. Arching limbs. Tolerant to Dutch Elm Disease.

	Common Name	Scientific Name	Planting Site Minimum Width	Site With Power Lines	Mature Height	Mature Width	Spread	Native	Flower Color	Fall Color	Description
43	Elm, Prairie Expedition	Ulmus a. 'Lewis and Clark'	5		55	60	Pyramidal			Yellow	Full sun. Tolerates wet and dry soil. Old favorite street tree. Excellent cold hardiness. Tolerates windy conditions. Tolerant to Dutch Elm Disease.
44	Elm, Princeton	Ulmus a. 'Princeton'	5		65	50	Round			Yellow	Full sun. Medium water. Low maintenance. Tolerates drought, black walnut, and air pollution
45	Filbert, Turkish	Corylus colurna	5				Pyramidal			Yellow	Full sun to part shade. Medium water. Average soils but not clay. Tolerates drought once established.
46	Ginkgo	Ginkgo biloba (male only)	5		50	25	Pyramidal			Yellow	Full sun, Medium water. Low maintenance. Tolerant of deer, clay soil and air pollution.
47	Ginkgo, Golden Colonnade	Ginkgo biloba 'JFS-UGAZ' (male only)	5		45	25	Pyramidal			Golden Yellow	Full sun to part shade. Medium water. Low Maintenance. Tolerant of urban conditions.
48	Hornbeam, Emerald Avenue	Carpinus betulus 'Emerald Avenue'	5		40	28	Pyramidal			Yellow	Sun to part shade. Vigorous and easy to grow. Heat tolerant.
49	Hornbeam, European Emerald Avenue	Carpinus betulus 'JFS-KWiCB'	5		40	28	Round			Yellow	Full sun. Tolerates a wide range of soil conditions. Sturdy easy to grow. Attractive smooth, steel gray and fluted bark. Heat tolerant.
50	Linden, Greenspire	Tilia cordata 'Greenspire'	5		40	30	Pyramidal		Pale Yellow	Orange/Yellow	Full sun to part shade. Medium water. Low maintenance. Attracts butterflies. Drought tolerant. Used as a hedge.
51	Linden, Ranch Little Leaf	Tilia cordata 'Rancho'	5		40	20	Pyramidal		Yellow	Gold	Full sun. Dry to moist soil. Low maintenance. Fragrant flower. Long lived. Tolerant of urban conditions.
52	Maackia, Magnificent	Maackia a. 'JFS Schicheli'	5		30	25	Pyramidal		White	Yellow	Full sun to part shade. Medium water. Adapts to wide range of soils. Low maintenance. Green with silvery foliage. Fragrant flower.
53	Maackia, Starburst Amur	Maackia a. 'Starburst'	5	Yes	25	20	Round		White	None	Full sun. Medium water. Adapts to wide range of soils including compacted soils. Low maintenance. Fragrant flower. Coppery bronze bark. Tolerates urban conditions.
54	Magnolia, Ballerina	Magnolia x. loebreri 'Ballerina'	5	Yes	20	15	Oval		White	Yellow	Full sun to part shade. Moist well-drained soils. Medium water. Fragrant flower. Intolerant of soil extremes and intolerant of most urban pollutants.
55	Magnolia, Jim Wilson	Magnolia virginiana 'Jim Wilson'	5	Yes	25	18	Oval		Creamy White	Yellow	Full sun to part shade. Medium to wet water. Low maintenance. Broadleaf evergreen. Fragrant flower. Tolerates clay and wet soil and urban conditions.
56	Magnolia, Leonard Messel	Magnolia x. loebneri 'Leonard Messel'	5	Yes	20	20	Round		White	Yellow	Full sun to part shade. Moist well drained soil. Medium water. Fragrant flower.
57	Magnolia, Mercury	Magnolia 'NCMX1 PAF'	5	Yes	25	15	Pyramidal		Pink	Yellow	Full sun to part shade.
58	Magnolia, Merrill	Magnolia x loebneri 'Merrill'	5	Yes	25	25	Round		Pink	Yellow	Full sun to part shade. Moist well drained soil. Intolerant of extreme conditions. Good winter hardiness.
62	Oak, Beacon	Quercus bicolor 'Bonnie & Mike'	5		40	15	Columnar			Yellow	Full sun to part shade. Tolerates adverse conditions. Attracts wildlife.
63	Oak, Kindred Spirit	Quercus r. x bicolor 'Nadler'	5		30	6	Columnar			Red	Full sun. Moist well drained soils. Gloss leaves. Fast growing. Resists wind.
64	Oak, Regal Prince	Quercus r. bicolor 'Long'	5		45	15	Columnar			Yellow	Full sun. Medium water. Low maintenance. Drought tolerant. Adapts to wide range of soils. Excellent resistant to powdery mildew and borers.
65	Oak, Streetspire	Quercus r. x. Q alba 'JFS-KW1QX''	5		45	10	Columnar			Rusty Red	Full sun. Storm resistant branch structure.

	Common Name	Scientific Name	Planting Site Minimum Width	Site With Power Lines	Mature Height	Mature Width	Spread	Native	Flower Color	Fall Color	Description
66	Oak, Urban Pinnacle	Quercus macrocarpa 'JFS-KW3' PP	5		55	25	Pyramidal			Yellow	Full sun. Adapts to all soil types. Attracts wildlife.
67	Pagodatree, Millstone Japanese	Sophora japonica 'Halka'	5		40	25	Oval		White	Yellow	Full sun. Adaptable to all soil types. Most canker resistant.
68	Planetree, Columbia	Platanus x. acerifoila 'Columbia'	5		50	40	Round			Yellow/Orange	Full sun. Medium water. Cold hardy. Attractive peeling bark. Fast growing. Attracts birds and butterflies.
69	Planetree, Exclamation	Platanus x. acerifoila 'Morton Circle'	5		55	35	Pyramidal			Copper/Bronze	Full sun. Attractive bark. Tolerates deer and air pollution.
70	Sweetgum, Emerald Sentinel	Liquidambar s. 'Clydes Form'	5		30	12	Pyramidal			Yellow/Orange	Full sun to part shade. Medium water. Slow growing. Attractive to wildlife.
71	Thornless Honey Locust, Draves	Gleditsia t. 'Draves'	5								
72	Thornless Honey Locust, Golden	Robinia pseudoacacia 'Frisia'	5		50	40	Pyramidal		Yellow	Burgundy	Full sun. Dry to medium soil. Fragrant flower. May sucker.
73	Thornless Honey Locust, Halka	Gleditsia triacanthos 'Christie'	5		40	40	Oval			Yellow	Full sun. Tolerates wide range of soils. Tolerants urban conditions.
74	Thornless Honey Locust, Imperial	Gleditsia triacanthos f. i. 'Impcole'	5		35	30	Round			Yellow	Full sun. Medium soil. Tolerant of deer, drought, clay soil, black walnut and urban conditions. Also tolerant of wind and high heat.
75	Thornless Honey Locust, Shade Master	Gleditsia t. 'shade master'	5								
76	Thornless Honey Locust, Skyline	Gleditsia triacanthos i. 'Skycole'	5		35	30	Round			Yellow	Full sun. Medium soil. Tolerant of deer, drought, clay soil, black walnut and urban conditions. Also tolerant of wind and high heat.
77	Thornless Honey Locust, Sunburst	Gleditsia triacanthos 'Sunburst'	5		35	30	Pyramidal			Yellow	Full sun. Medium soil. Tolerant of deer, drought, clay soil, black walnut and urban conditions. Also tolerant of wind and high heat.
78	Tulip Tree, Columnar	Liriodendron t. 'Fastigiatum'	5		40	15	Columnar		Green	Yellow	Full sun. Medium water. Low maintenance. Fast growing.
79	Zekova, Green Vase	Zelkova s. 'Green Vase'	5		45	30	Oval			Yellow/Orange	Full sun. Medium water, Low maintenance. Tolerates air pollutants.
80	Beech, Daawyck Purple	Fagus s. 'Dawyck Purple'	6		50	10	Columnar			Copper Bronze	Full sun to part shade. Rich purple foliage. Prefers rich soil and regular moisture. Showy smooth silverbark. Deer resistant.
81	Beech, Green	Fagus sylvatica	6		50	40	Round		Yellow/Green	Golden Bronze	Full sun to part shade. Medium water. Low maintenance. Showy edible fruit. Deer tolerant. Intolerant of wet poorly drained soils.
82	Cherry, Columnar Flowering	Prunus sargentii 'Columnar'	6		40	10	Columnar			Golden Yellow	Full sun. Hardy. Narrow form. Attracts butterflies. Good for screenings.
83	Ginkgo, 'Princeton Sentry'	Ginkgo biloba 'Princeton Sentry'	6		40	15	Columnar			Yellow	Full sun. Medium water. Low maintenance. Tolerant of deer, clay soil and air pollution.
84	Ginkgo, 'The President'	Ginkgo biloba 'The President'	6		50	40	Pyramidal			Yellow	Full sun, Medium water. Low maintenance. Tolerant of deer, clay, attracts birds.
85	Hackberry, Ultra Common	Celtis occidentalis 'Ulzam'	6		40	40	Round			Butter yellow	Full sun. Tolerates almost all growing conditions. Tolerant of urban pollution. Interesting bark. Attracts birds.
86	Maple, Red Armstrong	Acer rubrum 'Armstrong'	6		40	15	Columnar			Yellow/Orange	Full sun to part shade. Medium water. Low maintenance. Sturdy narrow tree.
87	Oak, Shingle	Quercus imbricaria	6		50	45	Pyramidal			Copper/Orange/Yellow	Full sun. Medium water well drained soil. Low maintenance. Tolerates drought and black walnut. Good pest resistant.
